# Sinclair Workforce Development

## Computer Training Labs

The facility's five computer training labs are fully-equipped with the latest technology, including the region's only hands-on Cisco and Oracle Network Labs. Each room includes 24-26 networked student PC workstations with a flexible infrastructure to meet client's needs. On-site technical support is available.

## Meeting Rooms

Miami Valley Research Park also offers flexible meeting rooms for groups from 4 to 40 people, an executive board room for up to 10 people, and a theater with seating for 122 people.

## Testing Center

Workforce Development's Testing Center offers an extensive portfolio of selection, descriptive and predictive assessments and certification exams from respected online vendors including ACT, PAN, Pearson VUE, and Prometric. Numerous companies and organizations frequently use the Testing Center for pre-employment screening, professional developmental planning, and industry certification and credential exams.

# Miami Valley Research Park

We invite you to experience the superior client service, state-of-the-art facility, and exceptional catering that is Workforce Development at Miami Valley Research Park! Conveniently located just minutes from I-675 and SR-35 in Kettering, Ohio, clients may reserve the facility for their own programs or partner with Workforce Development to provide targeted training solutions for their organization's unique needs.

Each room is fully-equipped with audio visual capabilities, including presenter's podium, personal computer, ceiling-mounted LCD projector and screen, program audio speakers, DVD player, document camera, and wired and wireless internet connectivity. Business services such as fax and copy services are also available.

Clients are welcome to choose from the existing food and beverage selections, or to create customized menus to better fit the group's individual preferences and price range.
